

Thank you very much for spending the time to read my statement in support of my candidacy for APALA-NJ Treasurer for the 2019-2020 year.

My name is Gregory Yen, and I am General Counsel at Asembia LLC, a 600+ employee company performing specialty pharmacy services in the industry. My in-house practice spans litigation, transactional, regulatory, real estate, and many other topics of law. This requires me to stay on top of many different pieces and meet various deadlines, skills that I believe have some overlap with being the Treasurer of APALA-NJ.

I have been on the In-House Committee of APALA-NJ and taken an active role in planning and preparing for different events. My interest in APA issues and growing the network has grown throughout the years as I have learned more about APA history and encountered many examples of the diversity that APAs bring, even among our group. I have been President of the chapter of APALSA while at Temple Law School and a frequent attendee at APALA-NJ and APABA-PA meetings, and I hope to continue serving APA interests as Treasurer.

I am honored for the potential opportunity to serve as Treasurer. Thank you to everyone for their interest and commitment to our organization.
