As you know, I currently serve as APALA-NJ's Vice President ("VP") of Communications, and I am now seeking your consideration and support for the position of President-Elect for the 2019 – 2020 term.

During my tenure as VP of Communications, I promoted all APALA-NJ events on social media and otherwise assisted with organizing an in-house event cosponsored, in part, by my law firm at the Grounds for Sculpture. I also actively participated in all Board meetings to address prevalent issues concerning APALA-NJ and its community. Additionally, I assisted with furthering APA representation in the New Jersey state judiciary as a member of the APALA-NJ JPAC and have served for the past two years on the APALA-NJ Gala committee, which we anticipate will be an even greater attended event this coming June. I also have actively recruited new members and sponsors to APALA-NJ to actively grow our organization, not just with new members of the bar, but senior attorneys serving as partners and in-house counsel at some of New Jersey's largest law firms and companies.

By way of brief background, I am currently an associate at Chiesa Shahinian Giantomasi PC in West Orange and practice in the firm's Litigation and White Collar Defense & Government Investigations practice groups. Previously, I served as an associate at Riker Danzig Scherer Hyland & Perretti LLP in its Products Liability and White Collar Defense and Investigations practice groups. I received my undergraduate degree from Boston University and my juris doctor from Brooklyn Law School. During law school, I was a member of my law school's APALSA, where I coordinated with AABANY to help organize the groups' largest event – the Alumni Dinner. Following law school, I was a judicial law clerk for the Honorable Michael A. Hammer, U.S.M.J., District of New Jersey.

Throughout my time in the public sector and in private practice, both on the state and federal level, I have maintained my interest in advocating for APA issues in my home state of New Jersey. I am now seeking your consideration and support for the position of President-Elect for the 2019 – 2020 term so that I can continue to serve the APA community and support the goals of APALA-NJ.
